|--------------------|---------------------------------------------------------------------------------------|
| Part number        | 09 45 751 1523                                                                        |
| Specification      | Patch Cable 1,5m CAT6 pvc                                                             |
| HARTING eCatalogue | <a href="https://b2b.harting.com/09457511523">https://b2b.harting.com/09457511523</a> |

## Identification

|               |                             |
|---------------|-----------------------------|
| Category      | System cabling              |
| Series        | RJ45                        |
| Element       | Cable assemblies            |
| Specification | Pre-assembled on both sides |
| Connector 1   | HARTING RJ Industrial®      |
| Connector 2   | HARTING RJ Industrial®      |
| Type of cable | Copper cable (round)        |

## Version

|                 |                |
|-----------------|----------------|
| Cable length    | 1.5 m          |
| Number of cores | 8              |
| Core structure  | 4x 2x AWG 26/7 |

## Technical characteristics

|                              |                                                        |
|------------------------------|--------------------------------------------------------|
| Transmission characteristics | Cat. 6 <sub>A</sub> Class E <sub>A</sub> up to 500 MHz |
| Data rate                    | 10 Mbit/s                                              |
|                              | 100 Mbit/s                                             |
|                              | 1 Gbit/s                                               |
|                              | 2.5 Gbit/s                                             |
|                              | 5 Gbit/s                                               |
|                              | 10 Gbit/s                                              |

## Material properties

|                  |     |
|------------------|-----|
| Material (cable) | PVC |
