

A technical drawing of a stylized number 6. The number is composed of a thick black outline. It features a large, rounded bottom loop and a smaller, circular hole in the center. The top of the number is formed by a horizontal line that extends to the right, then a diagonal line sloping down to the right, and finally a vertical line sloping down to the left that meets the top of the central hole. Two dimension lines are present: a vertical one on the left side indicating a height of 145, and a horizontal one at the bottom indicating a width of 98. The dimension lines have arrowheads pointing to the boundaries of the number's bounding box.

145
