

Elegant design with innovative detailing comes together with a sophisticated material selection: The TWISTER series brings together decorative standing, table and pendant lamps in different sizes made entirely of plaster. We make the cable a design element! Designed fully in classic white, only a red cable stands in contrast. The TWISTER series therefore draws the eye not only in living areas but also in hotels and in restaurants and catering establishments.

Special features

- Plaster housing material
- Red fabric cable
- Max. suspended mounting 3,000 mm

Housing Material	Plaster
Housing Color	White
Protection Class	Protection class I/protective grounding
max. Power	1x max. 40 W
Rated Input Voltage Frequency	220-240 V/AC 50 / 60 Hz
Socket Description	E27
Socket Quantity	1
Connection Type	Clamp
Dimmable	Yes
Control technology	Dimmable via optional light source
Motion Detector	No
Execution	Without lamp
Light Exit Surfaces	2
Light characteristics	Direct, Indirect
Light direction	Top, Below
Height	282 mm
Diameter	280 mm
Base height	25 mm
Base diameter	120 mm
Pendulum Length max.	3300 mm
Product weight	5390 g
Working Temperature	-5 to 40 °C
Storage Temperature	-10 to 60 °C
IP Protection Class	IP 20
